Critical Care and Sleep Medicine

About Our Event

The University of Minnesota Pulmonary & Critical Care Summit has been meticulously designed to delve into every facet of pulmonary and critical care medicine, placing particular emphasis on the intricacies of advanced lung diseases, including the complexities surrounding lung transplantation. Its overarching objective is to furnish attendees with a thorough and up-to-date understanding of the multifaceted realm of pulmonary and critical care medicine. Participants will be empowered to augment their existing knowledge base and stay abreast of the latest developments in the field.

This conference will also bridge the practice gaps prevalent within the specialty, catering to both academic and community-based healthcare providers. Through comprehensive discussions and immersive sessions, the course aims to address the nuanced challenges encountered in clinical practice.

Designed to be inclusive and enriching, this course extends its benefits to a diverse array of healthcare professionals. Whether physicians, advanced practice providers, medical trainees, respiratory therapists, or nurses, all stand to gain invaluable insights and skills essential for delivering high-quality patient care in the realm of pulmonary and critical care medicine.

Objectives

At the conclusion of this course, learners should be able to:

- Outline current clinical practice strategies and updates in interstitial lung diseases.
- Describe updates in critical care involving management of sepsis, shock and respiratory failure.
- Identify and discuss state of the art tools in bronchoscopy and pleural interventions.
- Discuss the guidelines for lung transplant selection and management.
- Discuss the latest in sleep medicine and non-invasive ventilation practices.
- Discuss the latest in research in pulmonary and critical care medicine at an academic quaternary referral center.

Event Details

Accreditation Statement

In support of improving patient care, University of Minnesota, Interprofessional Continuing Education is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Designation Statements

American Medical Association (AMA)

The University of Minnesota, Interprofessional Continuing Education designates this live activity for a maximum of 10.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Healthcare Professionals

Other healthcare professionals who participate in this CE activity may submit their statement of participation to their appropriate accrediting organizations or state boards for consideration of credit. The participant is responsible for determining whether this activity meets the requirements for acceptable continuing education.

Course Directors

H. Erhan Dincer, MD, MHA

Professor of Medicine

Vice Chair, Clinical Affairs, Department of Medicine

Division Director, Pulmonary, Allergy Critical Care & Sleep Medicine Division, University of Minnesota

Anupam Kumar, MD, FCCP

Associate Professor of Medicine

Medical Director, Lung Transplantation Program

Pulmonary, Allergy Critical Care & Sleep Medicine Division, University of Minnesota

Registration Information

Register for the summit at this URL:

<https://z.umn.edu/UMNPulmonaryCriticalCareSummit>

Registration Fees

| | |
|--|------------|
| Physicians | \$125.00 |
| Advanced Practice Providers (APPs) | \$100.00 |
| Other Healthcare Professionals (RN/RT/Pharmacists/etc.) | \$75.00 |
| Student/Resident/Fellow/Trainee | fee waived |

UMN alumni are eligible for a \$25 discount. Use promo code ALUM4822 at registration to receive the discount.
