Disclosure Summary

It is the policy of the University Of Minnesota Office Of Continuing Professional Development to ensure balance, independence, objectivity and scientific rigor in all of its educational activities. All individuals (including spouse/partner) who have influence over activity content are required to disclose to the learners any financial relationships with a commercial interest related to the subject matter of this activity. A commercial interest is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by or used on, patients. Disclosure information is reviewed in advance in order to manage and resolve any possible conflicts of interest. Specific disclosure information for each presenter, course director, and planning committee member will be shared with the learner prior to the presenter's presentation. Persons who fail to complete and sign this form in advance of the activity are not eligible to be involved in this activity. **Individuals involved as Planning Committee Members and/or Faculty do not have any relevant financial relationships to disclose.**
