### CONTINUING EDUCATION:

#### How many CE/CEPTC hours are available?

Annual Symposium attendees can earn Category I CEPTC for completing the course evaluation.

This activity has been submitted to the American Nurses Credentialing Center (ANCC) for approval to award contact hours. *This section will be updated once a credit total has been approved.*

#### Can I receive credits for viewing posters?

Yes, you can earn Category I CEPTC credit for reviewing posters. Contact hours for Nursing Continuing Education have been applied for. *This section will be updated when these credits are approved.*

#### How do I get my CE/CEPTCs and how long will it take?

On the course homepage, click on the **My CE** tab (top left). This will bring you to the My CE section, click on the **Evaluations & Certificates** icon. This will bring you to the evaluation and, once all evaluations are completed you will be provided with the continuing education certificate.

### **What is the deadline for submitting my evaluations for the conference to receive credit hours?**

Credits (ABTC and ANCC) for the symposium will be awarded until **October 19, 2025**.

Participants will receive certificates after submitting the evaluations online through the course webpage.

### **Will there be a recording of the symposium to review later?**

Currently, we are hoping to have a recording of all Main Auditorium presentations. Unfortunately, breakout sessions not hosted in the Main Auditorium will not be recorded. Any recording of the symposium presentations that may be made available for purchase later will be announced via the ITNS website.

## **CODE OF CONDUCT FOR ATTENDEES**

ITNS is committed to providing a safe, productive, and welcoming environment for all symposium attendees, ITNS staff, and exhibitors. View the Annual Symposium Code of Conduct [here](#).
