LETTER OF REQUEST

Monday, October 27th, 2025

The Division of Pulmonary, Allergy, Critical Care and Sleep Medicine (PACCS) is excited to present the second annual University of Minnesota Pulmonary & Critical Care Summit. This event will be held on July 10 and 11, 2025, at the McNamara Alumni Center (200 Oak Street S.E., Minneapolis, MN 55455) from 7:30 AM to 3:30/4:00 PM. This is an accredited course that will provide *AMA PRA Category 1 Credit*™ to physicians and ANCC contact hours to nurses.

At the University of Minnesota, we are dedicated to providing world-class education, groundbreaking research and community-engaged outreach. Our University of Minnesota Pulmonary & Critical Care Summit (z.umn.edu/UMNPulmonaryCriticalCareSummit) aims to provide a comprehensive overview of the different areas of pulmonary and critical care medicine and to address the practice gaps in the specialty for academic and community providers so that attendees will be able to learn and update their knowledge.

There are three funding levels outlined in this exhibitor prospectus, as well as information outlining University of Minnesota conditions. Upon expressing interest in this exhibit opportunity, you will be provided with a University of Minnesota Accredited Continuing Education Exhibit Agreement (UMN ACE EA) form. Your spot will be reserved once the UMN ACE EA has been signed and returned. All exhibitors must have a fully executed UMN ACE-EA to be eligible to exhibit; company exhibitor/sponsorship forms cannot be used in place of or in addition to the UMN ACE-EA.

Thank you for considering this opportunity to support the University of Minnesota Pulmonary & Critical Care Summit. Your participation would contribute to our event's success and demonstrate your commitment to our community and its initiatives.

If you have additional questions, please contact Nathan Droege (njdroege@umn.edu) or Ashley Fuchs (fuchs@umn.edu). We hope we can count on your generous support.

Best Regards,

H. Erhan Dincer, MD, MHA

Professor of Medicine
Vice Chair, Clinical Affairs, Department of Medicine
PACCS Division Director, University of Minnesota

Anupam Kumar, MD, FCCP

Associate Professor of Medicine
Medical Director, Lung Transplantation Program
PACCS Division, University of Minnesota

ABOUT THE SUMMIT

This course explores the breadth of pulmonary and critical care medicine topics with special emphasis on advanced lung diseases and lung transplantation. The CME credit-eligible event will be held at the award-winning McNamara Alumni Center, known for its striking architecture, and it will be facilitated and led by renowned faculty and researchers and will feature eminent external speakers. Sessions will empower academic and community providers by updating their knowledge and addressing practice gaps in the specialty.

Attendees

"I found the Summit very helpful and informative.."

"The summit was a great learning experience! I am a nurse and it was still very informative for my practices. The speakers are all incredibly educated and were able to give great education."

"Exceeded expectations. Appreciated shorter lecture style to keep focus."

PRODUCT THEATER PACKAGE

The UMN Pulmonary and Critical Care Summit will offer **two** opportunities for exhibiting companies to host a non-accredited product theater. These two sessions will be held over the lunch hour in the Heritage Gallery, neighboring The Great Hall.

Lottery Details:

- Companies who are selected via the lottery process are responsible for the identification of the content and speaker(s) for their non-accredited session. You will be required to submit session details by May 1st, 2026 including session title and speaker names.
- Standard AV equipment including a screen, LCD projector and lav microphone will be provided. Additional AV needs will need to be arranged with the venue and you will be responsible for associated costs.
- You are responsible for all speaker-related costs for travel, lodging, etc.

PRODUCT THEATER PACKAGE

Selection Process:

- The two opportunities will be offered via a lottery system. To enter the lottery, your company must:
 - Register for the Platinum Exhibitor Level.
 - Submit the signed Exhibitor Agreement Form and select the option to enter the lottery by **Tuesday, February 10th.**
- Lottery selections will be selected at random and the two selected companies will be notified on Thursday, February 12th. The companies must confirm their acceptance by Friday, February 20th, 2026. If confirmation has not been received by the deadline or the offer to host a product theater has been rejected, subsequent randomized selections will occur until the two product theater slots have been filled.

Price*:

\$4,500 for one in-person product gallery time slot, located in the Heritage Gallery.

Two sessions are available:

- 1 session - Friday, July 10th, 2026 - 12:00-12:45pm
- 1 session - Saturday, July 11th, 2026 - 12:00-12:45pm

**This price is in addition to the Platinum level exhibitor fee of \$5,000.*
